

WELSH BRIDGE

CHAMPIONS OF CHAMPIONS

We are again running this event in which the Champion Pair from every club in Wales will represent their club, competing against other clubs' Champions. This year there will be a £100 prize going to the winning bridge club.

Sunday June 23rd 2024, starting at 11:00hrs

at [Y Cwt](#)

Longacre Farm, Pendoylan, CF71 7UG

MASTER POINT EVENT

There will be two sessions with a break between sessions. Play is expected to finish at approximately 18.00 hrs. Refreshments will be available for much of the day so please arrive early to have a tea, real coffee or cake before play starts. Your entry fee includes a light lunch buffet to be served at 13:30hrs.

2023 winners were Peter Milewski and Tim Dean of Pembroke Bridge Club.

Every club may choose its own way of determining its Club Champions.

For example, a club could

- nominate the pair that won its own championship pairs competition.
- choose to hold a special pairs event to decide who will represent it.
- choose the pair that has performed best over a series of club evenings.
- use some other form of competition that seems best for your club.

All your club secretary needs to do is inform the WBU Tournament Organiser, Simon Gottschalk, nto@welshbridgeunion.org of the names of the two players who will represent the club (no later than 1st June 2024). Table money, including lunch buffet is £60 per pair. Clubs are asked to consider sponsoring their Champions' cost of representing them in this event.

Only WBU members are eligible to play in the **Champions of Champions**.

It may be that the champion pair in your club competition is not available to play on 23rd June. In that case, the club may nominate the next highest-ranking pair to play in their place. Similarly, if a club's champion pair have already qualified to play as the champions of another club, the next highest-ranking pair may play as representatives of your club.

Any questions about these rules should be addressed to Simon Gottschalk whose decisions on eligibility of entrants will be final.
